

Subject: Sustainable Communities Partner Resource Blast

Hello Sustainable Communities Partner,

Below are resources that may be of interest to your organization

SMUD Heatwave Tips/Cooling Centers

We're here to help find ways to reduce your electricity use and keep you safe and cool during hot summer days. Cooling centers are opening around the Sacramento region this week, offering places for our community to beat the summer heat. Click [here](#) for a list of centers.

Additionally, SMUD offers tips to affordably be cool and comfortable. A heat wave is expected to begin on Wednesday with high temperatures through the week. It's easy to keep energy use in check without giving up cooling comfort. The first step is keeping your home from heating up, which can reduce immediate cooling costs and help save on long-term costs from wear and tear on cooling equipment. SMUD has energy-saving solutions available on its [website](#) and offers tips to save money.

Improve Your Tomorrow/ Sierra Nevada Journeys: Brave Camp

The BRAVE Camp is a week-long overnight camp for students entering 7 - 9th grade in the fall. All genders are welcome to attend. The camp will focus on what it means to be brave, how to overcome peer pressure and bullying, and how to overcome obstacles. They will have a variety of guests come out and support the camp, including the Gracie Brothers, who will teach all campers how to do jiu jitsu. Campers will participate in a variety of activities from hiking, rope courses, camp fires, concerts, and more! The camp is 100% FREE and transportation will be provided. All campers and participants who are not vaccinated will be COVID tested upon arrival. Registration can be found using the following link : <https://forms.gle/6J6Z1C1bLeaCYJbX9>

Courses to Careers Job Showcase: Industrial Maintenance Mechanical Technician (IMMT) Heating, Ventilation & Air Conditioning (HVAC)

Meet & Speak Directly with Sacramento City College Representatives and Major Employers Like Federal Express, Pacific Coast Producers and the Farmers' Rice Cooperative to hear more about the Industry. View the attached flyer for more information.

Get a Job Kit: Empowering Job Seekers to Get a Handle on Today's Competitive Job Market

The [Get A Job Kit](#) is an all-in-one tool that is helping organizations across the country to empower job seekers of all ages and background. If you or someone you know find yourself in the job market and needs additional help/support, please be sure to use this resource.

California Clean Air Day

Make it easy for your organization to make California Clean Air Day a success in your community. You might host a tree planting, community bike ride, no idling campaign, walk to school day, open street event, transit appreciation day, electric vehicle ride and drive and more- there's no limit to what you can do! Grant funding of up to \$1,000 is available to groups and organizations to help make California Clean Air Day a success in your region. This potential funding is for local activities, events or projects that help clean our air. For more details including how to apply [click here](#).
